

# Long Term Care Facility Design Tours

Mamawetan Churchill River Health Region is in the process of designing a new future Long Term Care facility for the region.

During the week of July 18-22, teams created two potential models using a 3P process.

We would like to invite staff, clients, families, partners and community members to drop by and view the various models.

Drop by between **11:00-2:00** on these dates:

July 27, August 3

August 10, August 17

Alternate tour dates and times can be arranged for groups upon request.

Address: 916 La Ronge Avenue, La Ronge
